

Create a ConnX Shortcut on your Mobile Device

We want to make life as easy as possible.

With the ConnX Mobile module, we can make your employees' lives a little easier by adding a shortcut directly on your home screen.

For iPhone users:

1. Open the web browser on the device and navigate to your ConnX web site
2. At the bottom of the screen select the **add more icon** 
3. Multiple options are made available, including:
 - i) Add to Favorites
 - ii) Bookmark
 - iii) Add to Home screen

Select **Add to Home screen**

You will see the ConnX icon and be able to press and hold, drag and drop to your desired location. Tap the icon to open your ConnX mobile login screen.

For Android users:

1. Open the web browser on the device and navigate to your ConnX web site
2. At the top right of the screen select the **menu icon** 
3. Multiple options are made available, including:
 - i) Add to Favorites
 - ii) Bookmark
 - iii) Add to Home screen

Select **Add to Home screen**

By adding the web site to your Home screen, you will see the ConnX icon and be able to press and hold, drag and drop to your desired location. Tap the icon to open your ConnX mobile login screen.
